How pitiful~
Doesn't it feel wrong to let it end like this?
I could save your life....
...but you'd have to give me your memories.
The memories from when you were alive.

How about it?

And so-

Heungbu and Nolbu lived a long and happy life-

Wooh, that's awesome! I want to live a kind life like Heungbu! Then maybe the sea-gull will give me gifts, too!

Aigoo, sure- sure-

It looks like I have to leave early today, too.

Whats-? Again?

Can't you just stay? You promised you'd stay today~

Sorry... Mom's really busy these days...

I'll come early later.

But still... If you're gone, what am I supposed to do by myself?
